III NEW H. LEEDS & CO., Will sell at auction, on Saturday evening, April 9, at seven o'clock, at the old Dusseldorf Galiery, 645 Broadway. next door to Tiffany.

An exceedingly choice and important collection of original and vanuable Fabridge, by the greatest artists of the French and German schools, not one of which has ever been seen on this of the Atlantic prior to the present exhibition, collected during several years' residence in Paris by an American gentieman of wealth and well known taste and liberality. They have been consigned to Mr. Samuel P. Averr, of this city, under whose direction and advice they have been collected and will be offered for sale. The name of this gentieman is a sufficient guarantee of the high quality and sonumeness of the works presented.

The works of many artists will now be seen for the first time in America, and also others most difficult to obtain. In brief, we may mention fine examples of Edward Frere, Knaus, Troyon. Islebert, Willems, Verboeckhoven, Lanfant de Metz, Le Foittevin, Kook Kock.

Anker, Brilloule, Hamerican Them Paceus Paceus

Guillemen,
Lanfant de Metz, Le Peitterin, Willems,
Lanfant de Metz, Le Peitterin, Koek Koek,
Anker,
Hubner, and others.
Also the old Tavorites the American Thom, Pecrus, Patrols, Castan, Bourges, Lemmens, Coutourier, Salmon,
Caille, Montfallet, Lambert, Trayer, Orsekwiller, Bornschiegel, Dansaert, Lassalle, &c.
The landscape department will possess unusual interest and merit, several of the artists being for the first time represented including specimens by

Bubligny,
Versaset, Continue of Challegeau,
Afewcholee water color Drawings, by the Dopular artists
David, Marhon, Le Bas, Maretk,
All of these line works of art have been selected especially with the view of guiling representative works of the artists, and have been painted at the best period of their lives a number dating back several years, and some being the exhibition works of the artist for 1963.

All are in excellent condition, having been submitted to the artists for revision previous to shipping. The frames are nearly all new and elegant the choicest pictures being protected with cases and heavy plate glass.

They will be on exhibition from March 31, day and evening, until the evening of sale (with catalogues), and flue photographs of the principal pictures can be seen at the art emporiums and bookstores on Broadway.

Arms. 5, 1864. MORSE & CO., S. W. Hour, April 4, 1864. I visited this Mine in the month of December, 1863, accompanied by Guido Kustel, the most distinguished Metalings and Mining Engineer on the Pacific coast, for many resulten manager of the Ophir Works, and author of a valuab treatise on the "Processes of Silver and Gold Extraction, recently, published in California. My opinion of the value of the California of the Cali the manager of the Ophir works and author of a valuation treatise on the "Processes of Silver and Gold Ritarction," recently published in California. By opinion of the value and quality of this Mine is based on information derived from this gentleman, and on my own observations at the Mine. The mine is situated in Arricona, about three miters north of the northern boundary line of Shonora, and five miles than from the celebrated Mower aliver mines: it is accessed bie at all seasons of the year either by way of Los Angeles. Libertad or Guaymas. But title work has been done in developing the mine; enough however, to discover the width and extent of the lode and determine the quality and value of the orea.
